Grills

As a reminder, the use of wood or charcoal grills or any open flame devices are not allowed on the property.

Propane grills should not be used within 2 feet of any structure and are not to be used in the grass or mulch areas.

Garbage Pickup

With the garbage pickup time back to normal, please do not put your cans outside the night before and be sure to put them inside the day of pickup.

Warmer weather brings out bears, raccoons, etc..... No one wants to pick up their garbage before leaving for work!

Bulk Dumpster

A community bulk dumpster is not planned at this time.

Dog Owners

Please remember that your dog needs to be leashed and accompanied when outdoors. You may not leave your dog tied outdoors, anywhere on the property. This includes decks and backyards.

Be sure to pick up and properly dispose of anything left behind.

Remember to be considerate of your neighbors. Please walk your dog curbside, do not walk up into the front lawns, behind or between units.

Annual Licensing is due by June 30.
