

COUNTRYWOOD RESIDENTS

January 2026

Web site: [propertyworx.com/countrywood-hills](http://propertyworx.com/countrywood-hills)

As you all know the annual meeting in December was cancelled due to the water problem. The meeting is rescheduled for January 14 at Crosby High in the Media Room. I hope to see you there.

During snow storms ALL vehicles should be removed from the visitor area to help with the plowing. It only takes one car to interfere with the process of clearing snow. Be respectful and please do your part.

There are barrels with bags of salt throughout the community for residents to use. The salt is provided in case there is a patch of ice or if you want more in a particular area.

Keeping our community looking good is everyone's responsibility. Just a few ways are picking up garbage, sticks, parking properly, garbage in bins, recyclables in their proper place and holiday decorations taken down by **February 1**. Take pride in your neighborhood and your neighbor's by helping to do your part.

The recycle bin tends to get filled quickly at all times of the year. Cardboard needs to be flattened PRIOR to putting in the recycle bin. Placing boxes in the recycles without flattening takes up A LOT of unnecessary space and inconveniences many. Please always break down your boxes. Your help is greatly appreciated.

To ALL dog walkers...please be responsible and clean up after your dog has done their business. This includes your island, behind your unit and in all common areas. It is very disrespectful to leave piles of poop around our community. It looks and smells awful and is irritating when someone steps in your dog's poop just to name a few things that are wrong with this. There are dog stations around the community with bags, that we **PAY** to be stocked with doggie bags and emptied for all dog owners. If someone runs out of poop bags while on the walk with their pup, they should go back to pick it up and not just leave it there. Please be respectful to neighbors and the community.

We would like to wish all a Happy New Year,

Your Board of Directors ☺
