Seems as though the Goats from our neighbor have found a way to escape. If you happen to see one of the goats roaming about call Cheshire Animal Control 203-271-5590.

Fall is around the corner and the fall bulk dumpster will be here sometime in October. Once the date is selected the community will be notified. Thank you for not disposing of bulk items in the coral area or leaving them by a dumpsters. This adds expense to the community, which is not fair to all residents to be responsible to pay to have removed. If you cannot hold onto the bulk items for the bulk dumpster to arrive, please utilize the city dump.

Personal items such as strollers, pails, boxes of any kind, brooms, shovels etc.. Should not be stored in front the unit's garage, front door, or under decks, or in the utility shed at the end of a building, or items that are in the islands that may be out of season or broken. These items are to be brought inside or thrown away to allow the community looking well-kept and clean.

The next Board meeting will be a Zoom meeting, which are the 4th Wednesday of the month. Keep in mind there will be 3 open seats opened at the end of this year and it is never too early to start discussing the Board positions, which will be voted on at the annual meeting. If you have owned and lived at CWH for 1 year or more, you can run for a position on the Board. If interested contact PropertyWorx. Our Board makes decisions together and votes on all things that are decided.

Visitor parking is for VISITORS. Cars need to be parked in garage or driveways. There are areas where owners have parked more than one or more car in Visitor parking and there isn't any for a Visitor. Please be considerate of others and leave room for Visitors.
